Our Lady's 1000 Club is easy to join! Just select a three-digit number (for example, 123) for \$5 a month. Then wait for the wheel to spin your number! Of course, you'll have to call the Parish Office to become a member. We can help you pick your lucky number from the numbers that are available, and we're happy to answer any questions you may have about the 1000 Club.

The drawing is held on the second Sunday of each month at 7:30 PM in the school hall. Six door prizes are given away to those who attend the drawing, and nine winners are named each month as the wheel turns out the winning numbers. Each number drawn gets the lucky winners a cash prize — and you don't have to be present to win! There are four \$50 prizes; one prize each of \$100, \$300 and \$400; and two top prizes of \$500 each.

We send a monthly newsletter to all members of the 1000 Club to let each of you know the winners for that month and to also let you know if your 1000 Club dues is due (you'll find a return envelope included with your newsletter when it's time to pay your dues).

**AN IMPORTANT NOTE:**

\$10,000 from the 1000 Club is given to Our Lady's School each year!

**Please call Betsy or Diane at 781-598-4313 to join the 1000 Club and try your luck! All are welcome! Thank you.**
