

# Turning Trash into Cash!

Join the **Terracycle Brigades** at Our Lady of Assumption to help the environment and **fundraise** for our school!

**Terracycle** is an “upcycle” company that takes everyday household trash and turns it into products such as backpacks, planters, and other usable items sold online and at local retailers. **Please help OLA (and the environment) by collecting these items and turning them in to the recycling corner inside the school!** For more information, go to the Terracycle website at: [www.terracycle.net](http://www.terracycle.net)
